

# *Breezy Meadow Retreat's Newsletter*

This is so exciting to be putting out our very first newsletter! We are thrilled by the attendance of our Open House last weekend and would like to say a special thank you to all who were able to make it. We learned a lot of great things from our survey and would just like to say congrats to all the door prize winners! ~Robin Knutson, Erin Heuberger, Kandy Stevens, Karen Potz and Jennifer VanKeuelen~

October is soon closing but we're just getting started! Please note that our Workshop area is Open Crop Tuesday, Thursday and Saturday. That means if you and your friends want to come out, you can.
