**We would like to invite you to an exclusive open house for our newsletter recipients, Thursday March 30<sup>th</sup> from 4-8:00 p.m. and Friday, March 31<sup>st</sup>, 4-8:00 p.m. You will be able to tour the house and sign up for door prizes which include a FREE weekend and FREE Open Crop certificates.**

We just finished the first weekend with a house full of guests! Together they completed an amazing 378 pages! They even completed a layout for our workshop scrapbook!

**Congratulations to our Layout Contest Winners! Julie Nolan, Mindi Schnaser, Mary VanHauwert and Neenah Eben! You can see these great layouts on our website under What's New.**

Spring is my favorite time of year! The sun shining, the birds chirping, the cool breezes; I love it all, except for the **mud**. We do have a lot out at the retreat so when you arrive, please pull up to the doors to unload your bags. We will direct you to the best places to park.

Spring is full of firsts. How does your family celebrate spring? What do you do every spring? Don't forget to capture these times on film for future scrapbooking!

Spring cleaning the garage, first robins, taking the bikes back out, first tulips or flowers

Someone in a puddle, the first walk to the DQ, your pile for the garage sale after spring cleaning

Fresh leaves on the trees, first trip back to the park, Kids in rain boots and winter coats, washing the car outside by hand, green grass, new clothes and sandals, bunnies, kite flying

As we hope you will notice, we have worked diligently inside the house to make it special just for you. In the next several months we will be working on the outside of the house to make it as lovely as it should be.

If you have been out to visit us, let us know what you think. We have a feedback section on our website.
